FALL 2020 SOV INCUBATOR

DAY 1 - 10/23 - WHAT'S YOUR OFFER

We dive right in to getting you to crystalize your offer - needs, capabilities and what is on offer.

DAY 2 - 10/30 - ART & SCIENCE OF VIRTUAL DESIGN

This week we help you get clear on your design, weaving in the most up-to-date neuroscience and design elements.

DAY 3 - 11/6 - BUSINESS CASE

Marketing is often the biggest challenge. Over the next 2 weeks you will be building out your business case and assets.

DAY 4 - 11/20- DELIVERY

Contracting + masterful delivery are additional elements which are key to successful virtual work. Avoid the pitfalls and set your group up for success.

DAY 5 - 12/4 - REMOTE AND VIRTUAL

Our final week will take us into more of your questions and core elements needed in remote and virtual programming.
